## Legislator's Role

### First Round

All application packets for students in your district will be sent to be reviewed on March 20th. Included in the packet is a Nomination Letter for you to list your nomination in order of preference. You may have only received one application, which means only one student applied from your district.

Nomination Letters and application packets need to be mailed back by March 30<sup>th</sup>. We will announce all scholarship recipients in the second week of April 2013.

### Second Round

What if there are no applications from students in your district?

Once the first round nominations are complete, the NMML Legislative Coordinator will send the application packets of the students not nominated to adjacent districts, which do not have applicants. The second round will begin the first part of May, once all 1<sup>st</sup> round nominations have been completed, with second round nominations being made by May 30<sup>th</sup>.

*Thank You*

*In advance for taking the time to review the applications, promptly submitting your nomination, and making an important difference in a student's life.*
